Treasurer Cowell Supports Property Finder Regulation

“Treasurer Janet Cowell says the state already provides a free unclaimed property service. She believes that legislation is needed to regulate the companies that are doing the property finding on their own.”

- Associated Press

Treasurer Cowell Announces Transparency Reforms

“Extra daylight gives the public greater confidence in government. Kudos to Cowell for seeing that and making it happen.”

- Fayetteville Observer

Treasurer Cowell Supports Voter-Owned Elections

“Still, the system has worked in judicial and some Council of State races, and it should be expanded. Candidates for office should be looking to please the public, not special interests.”

- Wilmington Star News

“Cowell's endorsement of public financing, now that she holds the office, is especially significant because she's backing a proposal that erases a substantial advantage she would enjoy in future treasurer's races.”

- Scott Mooneyham, Syndicated Columnist
